Data Coordination Center Activities

DSWG Data Harmonization Tools and Guidelines

The following resources have been developed with input from our U01 and NIH partners:

- **SDoH and Demographics (Recently updated)**– [guidelines](#) and structures established in accordance with NDA Standards
- **Information Pamphlet** – “Cheat sheet” for DCC and NDA Standards
- **Medications** – guidelines for medications derived from EHRs and self reports

Software

- **NDA Data Structure Validator Tool** – identifies and validates NDA data structures and elements
- **R-based Submission Tool** – An R package that allows you to create NDA submission templates from REDCap, Qualtrics, etc. It ensures alignment with NDA data structures. Requires a Github account to access. Contact joshua.kenney@yale.edu

Introducing the Data Analytics Working Group (DAWG)

Looking for all U01s to participate!

The DAWG had their first meeting on February 12th. Thank you to all those who participated. This working group aims to work with U01 representatives to develop guidance and suggest methods standards for data analysis to prevent downstream issues. If you are interested in participating in this working group, please contact jackon@pennteam.upenn.edu

Connect with IMPACT-MH

Need Help?

- **Onboarding:** take an IMPACT-MH refresher or learn about the project as a newcomer - all are welcome. Learn about the background of the program, tools, documentation and infrastructure to coordinate with the NDA. Contact polly.painter@yale.edu to schedule a time.
- **Help Desks**
 - NDA data structures, guidelines, REDCap, and software tools
 - Mondays 3:00pm EST ([Zoom Link](#))
 - NDA data standards and structures, U01 data structures and data submission
 - Check the [team calendar](#) for updates ([Zoom Link](#))

Reminders

- **Data managers**
 - Please follow up with your contract offices to ensure that DUAs are completed ASAP
- **Data submission preparations**
 - Please contact christian.horgan@yale.edu to create a NetID and set up a 1-on-1 submission tutorial with your site

Community News

Congratulations to Allysa Quick from UPMC on her wedding!

Best wishes to the happy couple.
