

BULLETIN

Data Coordination Center Activities

Resources

- [NDA Mapper](#)
 - Browse all NDA data structures by data type and category
- [AV Guidelines](#)
 - Directions for AV data collection, processing, and submission
- [Modified Data Structures Workflow Diagram](#)
 - Helpful diagram describing the process for modifying existing data structures
- [wizaRdry 5.5](#)
 - added interview_date to non src_subject_id unit tests
 - simplified testSuite error messages

Coming Soon

EHR Data Workshops

- We'll be offering workshops early next year to provide guidance and support for OMOP conversion. Stay tuned for more details as they develop.

Cycle 2 Data Submission Update

8/8 research partners are on track to successfully complete their submissions. Thanks to everyone for your hard work, including our NIH partners, researchers, data managers, developers, and point-people for each project.

 - NIH will be hosting the event in Bethesda, MD. Virtual participation TBD. Details about meals/accommodations to follow soon.

Happy Holidays from the DCC!

As the year comes to a close, the IMPACT-MH Data Coordinating Center would like to extend our sincere thanks to all research partners for your hard work, collaboration, and continued participation in DCC efforts. The members of the DCC wish you a happy holiday season and a healthy, successful New Year, and we look forward to continuing our work together in the year ahead.
