BULLETIN

Data Coordination Center Activities

Tools
- NDA Mapper
  - Browse and update NDA data structures by data type and category. We continue to make improvements.

Updates (reach out to christian.horgan@yale.edu with questions)
- Network Portal
  - New members can onboard at any time.
  - Members can update their profiles and view others' contact information.
  - Dashboard users can edit their profiles, add or create expertise areas, and tag themselves with relevant keywords for visibility.

- Website
  - Events
    - Event resources have been consolidated into a single page. This page includes current event details, past events, and all associated materials.
    - All upcoming events can be found on the homepage!
  - Coming Soon - Resource Hub
    - We are working to consolidate resources to make accessing resources more user friendly.
