

BULLETIN

Data Coordination Center Activities

[Behavioral Tasks & EMA Guidelines](#)

Guidelines provide detailed descriptions for behavioral task/EMA data collection, processing, and submission. For questions, please contact Issac Clark at Clark.Isaac@mayo.edu.

[Updated Demographics and SDOH Guidelines](#)

Sites can use the **demographics401** data structure for demographics and the **sdoh01** data structure for SDOH data. REDCap forms and detailed guidance are available on the [guidelines page](#). For questions, please contact Kalpana Raja at kalpana.raja@yale.edu.

[Publications](#)

View all of the publications on the [Publications page](#). If there are any publications for your site that you would like to share, please reach out to Daniela Weng (ruey-ling.weng@yale.edu) or Christian Horgan (christian.horgan@yale.edu) for more information.
